**The Illustrated Torah Scroll Sponsor Form**

*In lieu of publishing a traditional tribute journal, The Amit Program has commissioned an Illustrated Torah Scroll, by artist Michal Meron, to be used in the community to teach the message of Torah to our children. All donors will be permanently listed at the designated level on panels in the beginning of the Illustrated Torah Scroll. Each donation above \$118 includes one line of text for a dedication to acknowledge someone special. Contributions of \$1,200 and above will also include a personal dedication on one of 54 Parsha panels. Contributions of \$25,000 and above will also include the dedication of one of the Five Books of Moses with their names prominently displayed in the beginning of the Torah, along with a personalized dedication on the first Parsha of the book that is selected. The Parshas and the Five Books of Moses will be reserved on a first come basis.*
